He uses over 300 color photos to show you how to modify your Impreza, Legacy, WRX, or STI for improved acceleration, handling, braking, and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger, and computer systems for more horsepower and torque--plus info on upgrading your drivetrain to handle all that power. If taking corners is your thing,

you'll find chapters on the suspension, steering, chassis, brakes, and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars. Jeanie thinks she was to blame for the sexual assault she suffered in college—and she'd do anything to keep her old-school Catholic family from finding out about the resulting pregnancy, as well as what she did to conceal it. Years have passed since the assault, and Jeanie's husband, Greg, still thinks she's the seemingly innocent girl he married in a rush to spite his controlling mother. It's the height of the Seattle dot-com boom, and he's too busy cashing in his stock options to pay attention to his wife. He isn't aware of Jeanie's lingering shame and guilt, or that she married him in the desperate hope that devoting herself to marriage and motherhood would somehow absolve her from the sins in her past. Their hidden agendas collide when Greg discovers evidence of Jeanie's long-ago pregnancy. As she confesses the details of that drunken night with her married professor, Greg's pristine image of her is blown. His shock deepens into violent fury, and Jeanie realizes she needs to leave him—but Greg won't let her go. He's up for a big promotion, and he's not about to let her ruin his reputation by walking out on him. He'll resort to blackmail if necessary. Or worse. Coming to consciousness trapped under suffocating snow, Franceska Scarlatti, minor crime writer and struggling novelist, is finally able to save herself and combat the blizzard to rejoin the companions with whom she has been skiing in Mammoth, California - only to learn another member of their skiing party, Johanna Werner, is also missing. Is Johanna lost in the storm? Kidnapped? A runaway? The body of a young woman is found on the back of the mountain - shot to death. Is it Johanna? If not, could their plights be related? Francesca teams up with her life long friends, Jimmy, a retired homicide detective, and Frank, an actor, for help and emotional support. And it proves a two way street as Jimmy unofficially searches for the kidnapper and possible serial killer of a ten year old boy. In the twists and turns of this psychological thriller no one knows anyone else as well as they believe they do; and under the direction of half Cajun, half native American, FBI Agent Hawk Broussard, the investigation unravels like a Christmas ball - with secrets and deceptions revealed at every turn of the ribbon.

The mystery takes the reader to the California wine country, ski country, San Diego and, with time running short, into the bowels of the women's prison, Las Colinas.
