The Things They Carried May 18 2020 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur

A Bigger Table, Expanded Edition with Study Guide: Building Messy, Authentic, and Hopeful Spiritual

Community Sep 02 2021 A Bigger Table invites readers to envision a church that is big enough for everyone, by holding up a mirror to the modern church and speaking clearly on issues at the heart of the Christian community: LGBT inclusion, gender equality, racial tensions, global concerns, and theological shifts. John Pavlovitz shares moving personal stories, his careful observations as a pastor, and his understanding of the ancient stories of Jesus to set the table for a new, positive, more loving conversation on these and other important matters of faith. Though there are many who would remove chairs and whittle down the guest list, we can build the bigger table Jesus imagined, practicing radical hospitality, total authenticity, messy diversity, and agenda-free community. This new edition includes a small-group study guide complete with ideas for exploring A Bigger Table in a congregation-wide sermon series and program along with a new foreword by Jacqui Lewis and new afterword by the author to explore the challenges of living out the bigger table when voices of hate and exclusion seem stronger and louder than ever.
