A bold and innovative social history, *The Seed Is Mine* concerns the disenfranchised blacks who did so much to shape the destiny of South Africa. After years of interviews with Kas Maine and his neighbors, employers, friends, and family – a rare triumph of

collaborative courage and dedication – Charles van Onselen has recreated the entire life of a man who struggled to maintain his family in a world dedicated to enriching whites and impoverishing blacks, while South Africa was tearing them apart. "Mrs. Robinson, you're trying to seduce me. Aren't you?" These famous lines from *The Graduate* (1967) would forever link Anne Bancroft (1931--2005) to the groundbreaking film and confirm her status as a movie icon. Along with her portrayal of Annie Sullivan in the stage and film drama *The Miracle Worker*, this role was a highlight of a career that spanned a half-century and brought Bancroft an Oscar, two Tonys, and two Emmy awards. In the first biography to cover the entire scope of Bancroft's life and career, Douglass K. Daniel brings together interviews with dozens of her friends and colleagues, never-before-published family photos, and material from film and theater archives to present a portrait of an artist who raised the standards of acting for all those who followed. Daniel reveals how, from a young age, Bancroft was committed to challenging herself and strengthening her craft. Her talent (and good timing) led to a breakthrough role in *Two for the Seesaw*, which made her a Broadway star overnight. The role of Helen Keller's devoted teacher in the stage version of *The Miracle Worker* would follow, and Bancroft also starred in the movie adaptation of the play, which earned her an Academy Award. She went on to appear in dozens of film, theater, and television

productions, including several movies directed or produced by her husband, Mel Brooks. Anne Bancroft: A Life offers new insights into the life and career of a determined actress who left an indelible mark on the film industry while remaining true to her art.
